All OFA Memberships are renewed annually in **June for the July-June dues year**. For the first year that you join, if you join in any month but June we'll pro-rate the dues for the remaining portion of the year.

Annual membership dues are based on number of employees. Participating in the Advertising Support is optional ~ **however, the more businesses that contribute toward advertising, the better job we can do with exposure for us all!** The Advertising Support goes directly toward local and regional media buys. With your support added to profit from events, we are shooting for a \$30,000 advertising budget in 2011-2012.

Please **circle** the membership type and dollar amount for your Membership and Advertising Support. Our Membership list recognizes your Advertising Support level.

## Other Volunteer & Marketing Opportunities

A big part of what we do in the OFA is organize, promote, and host events – it gives us all great exposure and people have fun! You don't have to be on the board to volunteer or chair a committee. We need your help to make these events a success for us all.

Each event has the opportunity for **Sponsorship Levels** from businesses – and includes a variety of promotion opportunities for you. These event sponsorships are separate from your Association Dues and Advertising Support. The chairperson of each event will contact you if you indicate your interest.
