All OFA Memberships are renewed annually in **June**. For the first year that you join, if you join in any month but June we'll pro-rate the dues for the remaining portion of the year.

Annual membership dues are based on number of employees. Participating in the advertising program is optional ~ however, the more businesses that contribute toward advertising, the better job we can do with exposure for us all! Advertising funds are allocated both locally and regionally.

Please **circle** the membership type and dollar amount you are contributing:

Membership Type	Association Dues	Advertising Contribution (optional ~ but desired!)	Total
Individual (Non-business)	\$40	\$100	\$140
Non-Profit Organization	\$40	\$100	\$140
Individual (Business owner):	\$40	\$100	\$140
